

## From Antoinette Hall, General Manager, Eureka Tower

I hope you all had a fantastic Easter break for those of you who managed to get away. For those who stayed in Melbourne, it probably didn't matter. The weather was absolutely brilliant throughout Victoria during Easter and just so lovely to be able to spend time in the sunshine and warm breeze.

With COVID-19 almost beaten (for now) The resident facilities have fully opened, with continued regular cleaning and the plastic screen in front of concierge has also been removed.

## Easter and the winner of the jar

We had some very close guesses as to the number of eggs in the jar this year. However one lucky guess was absolutely spot on with a total of **328**. Good luck at the dentist next year!

Donations for the guessing competition go to the Royal Children's Hospital Good Friday Appeal.

Some great works of art were submitted for the Kids Easter Colouring which were displayed on the notice board over Easter.

Thank you to all who participated and/or donated for this great cause.

Your guessing helped raised \$17,122,879 as the final tally for the fund raising event.

## Did you know?

### Jump starter/Tools/Umbrella/Trolleys

Concierge has a variety of items you are able to sign out and use at your disposal, such as a jump-starter for your car, various tools for furniture assembly etc., umbrellas and trolleys. All we ask, is you sign them out and sign them in, in the same condition. Please can contact concierge on 9685 0188 to find out more.

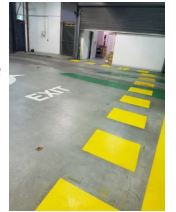

### Pool/Gym—Etiquette Post Covid-Restriction.

The Eureka gym and pool are open again without restrictions but additional cleaning regime. We remind all users **to wipe down all equipment and machines with the cleaning products provided before and after each use.**

These shared facilities require all users to do their part to ensure these areas remain safe and open. We ask all residents to be mindful of coughing or sneezing while in the common areas, especially in the gym. It does cause others concern. Please use a tissue or a personal towel to cover the cough or sneeze and clean all equipment thoroughly as required.

## Pedestrians walking in car park

When walking in or out of the car park, please stay on the yellow marked squares at the gate entry/exit. The car park is alarmed and alerts concierge when a person does not use the marked squares. Security then attend.

Please assist us to make the car park safe.

## Soft plastics recycling in the local area!

REDcycle have teamed up with Coles, Woolworths and a number of others to provide accessible recycling of soft plastics to all, making it easy to keep your plastic bags and soft plastic packaging out of landfill, waterways and oceans!

Visit Coles and Woolworths on Elizabeth Street and Woolworths Cecil Street, South Melbourne, for soft plastic recycling. Further information on other locations can be found at: <https://www.redcycle.net.au/>

## Dogs on common property

Always ensure your dog is on a lead when on common property, including the foyer, hallways and car park.

There are a number of dogs in the building and they should always be properly restrained, especially when moving about near other dogs.

If you do not wish to put your dog on a lead, please carry your dog in and out of the building.

## Packages in loading dock

The loading dock receives three main deliveries and ad hoc deliveries each day. Some items are large, or multiple boxes.

As we have limited space, we request you arrange to pick up your delivered item/s the day you have been notified by us of their arrival.

## Community

### Secure barcode and wire

Please do not tamper with the secure wire or barcode of your keys. If you wish to make any changes to the key set please advise concierge before dropping them off at the desk. A replacement fee of \$25.00 will be issued if the barcode or wire is tampered with or removed. Our Concierge team need these for holding your keys.

### Balcony Etiquette

Consider your neighbors when utilizing your balcony.

#### PLEASE DO NOT:

- Flick cigarettes over your balcony—use an enclosed ashtray and empty frequently.
- Hose your balcony or push excess water over the edge. Please be careful when watering plants and ensure water falls to the drainage point.
- Make loud noise on your balcony. Bedrooms next door may be close. Keep noise to a minimum.

### Illegally Parked Cars & Towing

Please park within your own allocated car space/s.

Contact Concierge if someone is parked in your car parking space. They will attempt to contact the vehicle owner to remove the vehicle and explain the towing process.

It is important you advise Concierge of the vehicle registration number and details of any new vehicle you are bringing into the building for this very reason. If your vehicle is towed, it is an expensive exercise to have it released and it will be at your cost.

### Hard Rubbish Collection

Eureka Tower has very limited space to store large waste items for long periods of time, however the loading dock team has arranged two regular pickups each month. Contact the loading dock on 9685 0116 to book the goods lift to bring down your items for hard waste.

### Intercom faults

The apartment intercom warranties are coming to an end. If you are experiencing issues with your intercom, please let Concierge know so we can arrange attendance. (service fee may apply) . **Once the warranty expires, the full cost of repairs is an apartment cost.**

### Pool Pod

The pool pod (Disabled Lift) is ready for use. An appointment and induction is required for you to use it.

If you require use of the pool pod, please contact Concierge on 9685 0188 to book a time.
